Visions Program at Middle Earth

What we do:

We work with the YES program to serve adolescents ages 16- 24 in Somerset and Hunterdon county that face a barrier, such as pregnancy, lack of educational involvement, addiction, mental illness, or a learning disability (I.E.P.)

Benefits of the Visions program:

- Clients are taught how to succeed in the workplace
- Clients receive a paycheck for attending two weeks of work readiness classes
- Clients have the opportunity to be awarded a nationally recognized Credential, such as OSHA, CPR/First Aid, NWRC, and more
- Clients will be placed in a paid internship in a career of their choosing
- Clients have the opportunity to receive \$4,000 from YES towards furthering their education
