

HOPE

PROGRAM

GIVING HOPE

Middle Earth's new HOPE Program provides survivors of domestic violence and human trafficking with the life skills and resources necessary to participate in the workforce, enroll in post-secondary education, and live independently.

THREEFOLD MISSION

- We will focus on employment readiness and obtaining a job
- We will teach participants about post-secondary education options and help with admission
- We will provide mentoring for additional support

PARTICIPANTS WILL

- Obtain employment
- Earn acceptance into secondary education
- Report higher self-esteem and self-efficacy
- Learn the life skills necessary to live independently
