

PROMISE Plus is a structured program that helps youth improve academic success, learn job readiness skills, and gain employment experience.

Funding has been provided in part by The Children's Hope Initiative - Friends of Somerset County Youth.

Program Facts

Program Objectives

- improve youth's academic success
- help youth develop marketable skills for employment
- encourage youth to identify goals for future
- create opportunities for youth to gain work experience and build resume
- assist youth in recognizing their potential and ability to contribute to the community

What

Provides college / trade school tours, lessons in life skills, employment readiness training, academic tutoring, volunteering, and 8-week paid internship.

Somerset County youth, ages 14-21, who are in need of workplace readiness skills and mentoring.

Who

Why

Studies show that youth who have marketable skills are better able to find employment and are less likely to be involved in criminal activity.

Youth receive up to 12 weeks of goal identification and life skills education; 2 weeks of job readiness training; and 8 weeks in a paid internship.
