

REPORT TO THE COMMUNITY FOR 2021

SERVING WITH COMPASSION AND CREATIVITY

No matter what challenges were thrown at us!

Pantry visits have risen by 34% in the past five years. The pandemic and rising prices have contributed to how much our neighbors need us.

11,677
Visits

320,166
Meals

We give a cartful of food with each visit and that is enough for our clients to make a lot of meals for their family.

Community members, businesses, & farms donate almost a million dollars in food and personal care items for our clients.

Deliveries

Whether our clients were ill, quarantining, or lacked transportation, our volunteers still made sure that they could get their food and personal products.

In the past five years, the number of seniors served has gone up by 143%. We take special care of our seniors with pop-up pantries where we deliver groceries to 2 low-income senior developments, senior-only hours, deliveries, and a special meal.
