

STUDENTS NEEDED

AVIDD Community Services of NJ is looking for student interns for the **Pre-ETS Paid Internship Program!**

This program enables in-school youth 14-21 years of age to participate in paid work experiences at an integrated community-based employer.

Students will be provided with 3 weeks of person-centered skills training classes on **Pre-Employment Transition Services** to learn **Workplace Readiness Skills, Self-Advocacy Skills**, as well as **Job Exploration** to ensure that the internship will result in a meaningful experience. After the 3-week classes, students will participate in a **150-hour paid internship** with an employer. Following the internship students will participate in another **3 weeks of skills training review**.
