Whether you are insured or uninsured, show the FamilyWize card and get the best price on your prescriptions: FamilyWize, pharmacy or insurance.

### The FamilyWize Prescription Savings Card:

- Is free for everyone: no sign-up required
- Covers all FDA approved prescription medications
- Has unlimited use

Know the prescription price before going to the pharmacy by using the Drug Price Lookup Tool on [familywize.org](http://familywize.org)

*FamilyWize Community Service Partnership is committed to helping improve people's health by making prescription medications more affordable.*

### Whether you are insured or uninsured, get the lowest price:

1. **Show** the FamilyWize card to your pharmacist every time
2. **Ask** for the best price: FamilyWize, pharmacy, or insurance
3. **Save**

*It's free and accepted at pharmacies nationwide.*

Save  
an average of  
**42%**

### Make Saving Easy
