What is Comfort Zone?

Comfort Zone Camp is a national nonprofit organization that provides a safe and fun place for kids grieving the death of a parent, sibling, or significant person in their life. CZC offers FREE 3-day weekend camps, family camps, and virtual programs. All programming empowers children to grieve, heal and grow in healthy ways.

What is a Weekend Camp?

Camp programs are all strength-based, child-focused models, which include age-based support groups facilitated by trained grief specialists. Programs include icebreakers, confidence-building activities and other activities designed to facilitate trust, expression, and interaction among campers.

Eligibility

Campers must be between the ages of 7-17 (18 if still in high school), and experienced the death of a parent, sibling, or significant person.

Contact CZC staff with any questions.
