

HUNTERDON HELPLINE'S

CIRA

A PROGRAM
FOR COVID-19
ASSISTANCE

Sometimes during this pandemic, it is difficult to keep up with the latest information, to know where to get a vaccine, when it is time for a booster, or how to register for a vaccine online.

Through the free CIRA program, we offer the information, the referral and the assistance, whether it is scheduling a vaccine online or arranging transportation to the vaccination facility or pharmacy.
