Saint Clare's Health

Around the corner. Ahead of the curve.

Overview

The Wellness and Recovery Center offers rapid crisis support to individuals experiencing an urgent mental health concern. By managing troubling symptoms earlier, individuals may find the development of more serious problems is reduced. Care is provided in a warm and inviting environment that is separate from the medical facility.

The Team

The Wellness and Recovery Center's multidisciplinary team of experts includes:

- Licensed Clinicians
- Psychiatrists
- Advanced Practice Nurses
- A Peer Counselor

Approach

Our innovative approach utilizes the principals of the wellness and recovery model of care which supports a collaborative approach between the individual and the treatment team.

By instilling hope and optimism, the center offers individuals the opportunity to pursue self-directed steps towards their own unique recovery.

Services

Recovery and support services include:

- Crisis Support
- Individual Counseling
- Case Management
- Medication Evaluation
- Peer Support
- Psychoeducation
